Hagg Müller, Inc.
Architects - Engineers
1350 Fourteenth Avenue
Grafton, WI 53024-1990

Gentlemen,

I am the owner-operator at the fitness center and an owner-managing partner of the Fitness and Wellness Center at 8700 W. Watertown Plank Road in Wauwatosa.

Having been involved integrally with this project from the outset, I am happy to report that the transformation of a run-down county building into a state-of-the-art fitness center and medical office facility was accomplished most successfully by Haag-Müller architects.

The modern facility retained a truly historic flair through an integration process that was both efficient and aesthetically impactful.

All of the considerable design and meld problems were met creatively and functionally by your team.

The highest praise I can assign is that I have informed Haag-Müller that when we do our next location, we are very anxious to work with them again. If I can be of further assistance, don't hesitate to contact me personally.

Sincerely,

Keith Nygren
